

Dear Valued NSKC Member,

We the committee of NSKC would firstly, like to start with thanking you for your patience and continued support during this difficult time. However, as we value you as a member of our club we are personally writing to inform you, of our current proceedings for 2011.

As most of you have either heard or read, the track surface will not be completed in time to host both the highly anticipated Shakedown Meeting and the NSW State Titles which were to be held at Eastern Creek. (For further information, we ask you to read the attached Press Release which will elaborate in the circumstances that have unfolded for the relocation of these events to an alternative venue). Both these meetings are now to be held at Newcastle. The shakedown meeting to be held on 17/18 September, 2011 will be part of our Club Championship Round. (Additional information will be supplied shortly)

However, we the committee are all in agreement that it is our duty and responsibility to supply you our member a safe and quality track.

As you the member are the backbone of our club, the greatest concern of the committee is to assist and support our very loyal club members. The committee is currently talking with other Metro Clubs to enable NSKC to complete the remaining club championship rounds at alternative racing circuits. Upon completion of these discussions, we will once again inform you with a revised racing calendar for the remaining 2011 meetings. These dates and venues will also be posted on our clubs website.

Unfortunately, this situation is both a disappointment and out of our immediate control. Our current focus is to finalise the remaining race calendar, and then focus on 2012 with the introduction of some great and exciting new ideas for you the club member who has supported us throughout 2011.

We ask for your feedback and invite you to attend our next committee meeting as we would value your input and feedback.

Once again, we thank you for your patience and your continued support and we ask you to remember that we are here to make your racing experience an enjoyable one.

If you would like to talk to any of the Committee members please feel free to contact them on their numbers below.

President – Peter Galvin 0419 971 059

Vice President – Steve Parsons 041426700
